## PLP Action Research Project Concluding Questions

Over the past few months, you have used a variety of Web 2.0 tools. As you are answering the questions below, think back to the activities listed and reflect on your experiences.

### WEB 2.0 TOOLS

- \* **Glogster:** created a glog to explain how people can become involved in their local governments, required you to include text + video + pictures + audio
- \* **Student blogs:** researched poems online, wrote responses to your chosen poems and posted some of your own poems, commented on classmates' blog posts and responded to comments left on your blog by others
- \* **Google sites:** worked in a small group to create a website on 8 poetry devices, required you to research the poetry devices and learn how to build a website
- \* **Google Docs:** used at various times throughout the year, kept track of the poems you researched
- \* **Gmail:** used email to communicate throughout the year with your penpal from Bowden
- \* **Instant chat:** used the chat function within Gmail to communicate with your penpal, classmates, and teacher at various times in the year

1. Overall, did you enjoy using a variety of Web 2.0 tools in class? Why or why not?
