#### 5. Please assess your own current skill level in developing a PLN using Web 2.0 tools (such as those listed in Question 2) for professional learning purposes:

**6. I am interested in strengthening the BRSD AISI Leads network beyond face-to-face, email and telephone contact:**

**Thank you so much for sharing your perspectives to get us started. We can't wait to see your collective input!**

I like to shop online - this I have mastered! Yeah - this exciting for BRSD! Onward and upward. I would love to work towards this. Time is always a factor. This action research snapshot begins with: "What is a PLN?" You explain that a PLN is "Powerful Learning Practice", however you do not specify what a PLN is. My GOOGLE search revealed that a PLN could be many things! (<http://en.wikipedia.org/wiki/PLN>) It is rather interesting if you consider doing this survey thinking that a PLN is: Polish currency or a political party or an airport or a human gene!!! However, I finally opted to complete t ...
